

K12PaymentCenter

The Complete Online Payment Solution

Online Payment Account Creation for Parents

Dear Parents,

Dealing with your children's school money just got a lot easier! You can now add money to their accounts for meals, pay for school-related fees online securely and even see what they are buying.

Go to your child(ren)s schools website, choose **Cafeteria** in the top navigation pane, click **K-12 Payment Center**, click **Sign Up** at the top right hand corner. Choose State **Vermont**, District **Abbey Group**, Create your own Username and put in your email, password, phone, first & last name, and security question, click **Submit**.

Note that you will need your **child's student ID number**; everyone should have their student id from the Forms & Admissions for MMS. It's the same for the K12 Payment Center. Contact Abbey Group if you have any questions with setting up the account.

Online Payment Website Facts:

- Make payments for meals and school fees online securely using your credit card
- Have more than one child in the district? You can deposit money into multiple accounts with just one payment!
- You get quick and easy access to your child's account 24 hours a day, seven days a week
- The ability to:
 - see 120 calendar days of purchases and payments
 - Check your child's meal account balance
 - Get low balance alerts by e-mail and text
- Pay for not only school meals but school fees, such as merchandise, apparel, supplies, tickets, yearbooks, etc.
- Receive email and text notifications when school fees are assigned to your student
- Less hassle and no more "lost lunch money" or sending checks into the district office
- Setup monthly or weekly recurring payments
- Peace of mind, knowing exactly what you money is being spent on
- You can access [online payments on Facebook](#)
- There are no banners, pop ups ads or advertising
- We do not share any information with third parties, other than your financial institution and your child's school
- The website is secure site and utilizes all of the current industry privacy standards
